

Phase 1 – Brainstorming & Ideation Phase

COLLEGE DETAILS

College Name: Shri Krishnaswamy College for Women

College Code: UNM659

TEAM DETAILS

Team ID: SWTID- 2026- 6841

Team Size: 4

Team Leader: Tharani S

Team Member: Thirisha S

Team Member: Thirisha R

Team Member: Tiksha P

PROJECT TOPIC

EduGenie – Google Gemini Powered Learning Assistant

OBJECTIVE

To identify a practical educational problem and propose an AI-based solution that can make learning easier, faster, and more personalized for students.

PROCEDURE

1. Discuss common difficulties faced by students while learning.
2. Identify the need for quick answers and simplified explanations.
3. Brainstorm possible AI-based educational solutions.
4. Finalize EduGenie as the project idea.
5. Define the main features: Q&A, explanation, quiz generation, summarization, and learning recommendations.
6. Finalize the team and project details.
